

Dear POLISH STUDENT

Did You know?

That you can take Polish in your Leaving Cert? Its worth a 100 points just like any other subject.

Gives a student a head start in language requirements for college.

In Ireland there is many Saturday Polish Schools which can prepare you for this exam.

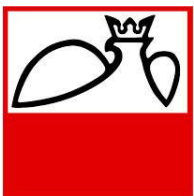

The advantages of being bilingual:

Increases job opportunities in many careers where knowing another language is a real asset.

If there are at least 3 students interested in a preparation course at your school, for a small fee, such a course can be organised.

Has a positive effect on intellectual growth and enriches and enhances a child's mental development.
